

Changing appearance w/ matching scenes → reference other Nintendo Games

x number of clicks brings up a certain meme

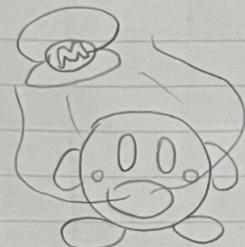

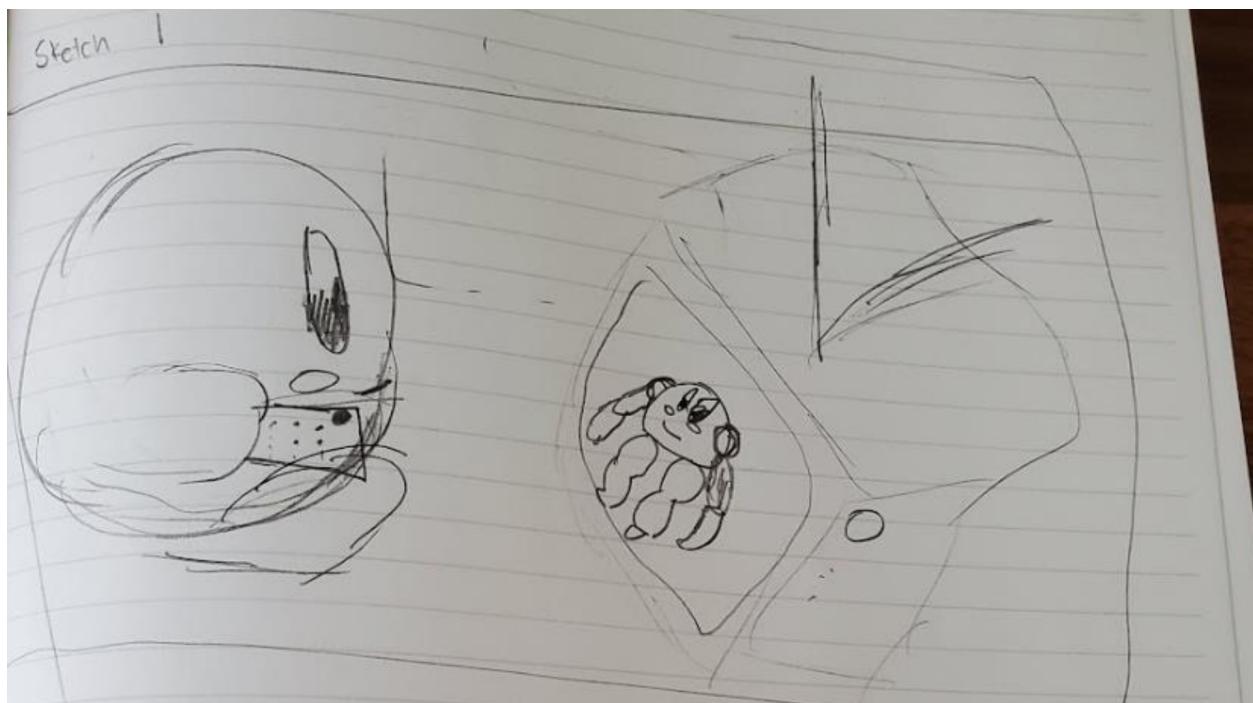

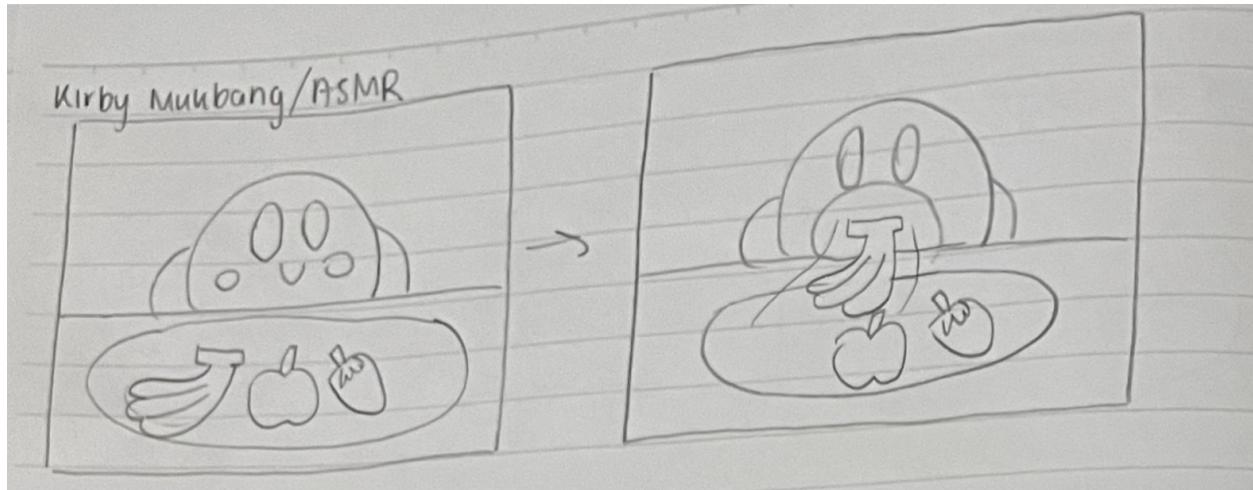

KIRBY IS ANNOYED.

- too many clicks → game over

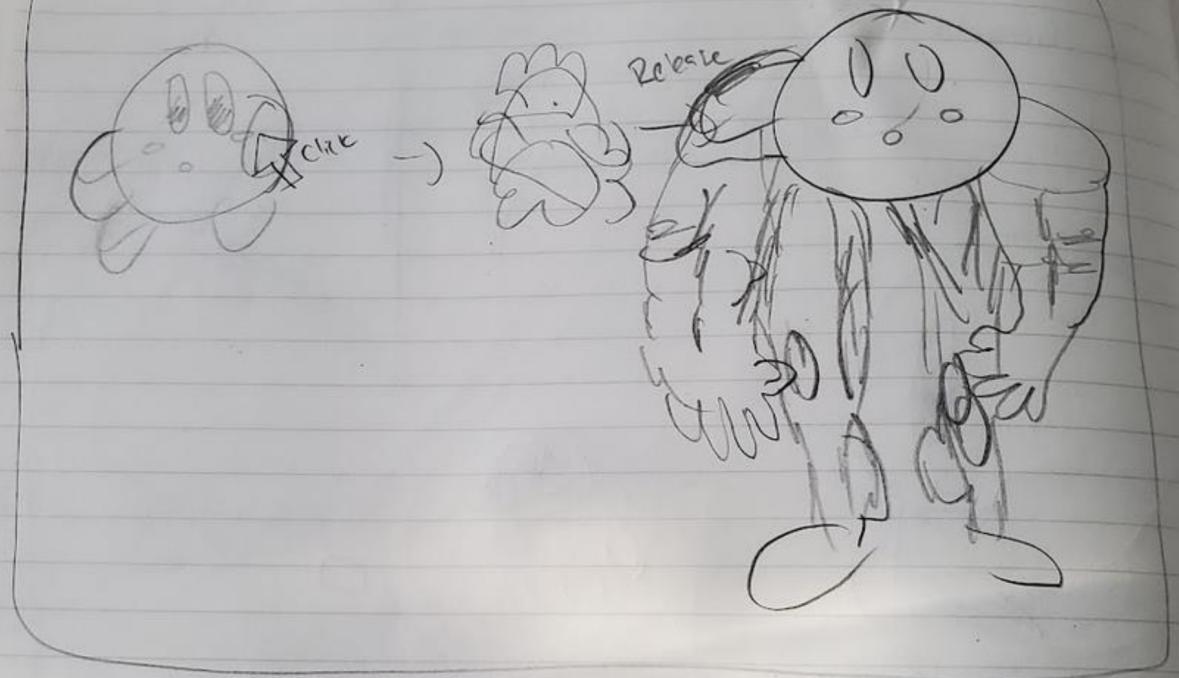

Kirby Closet

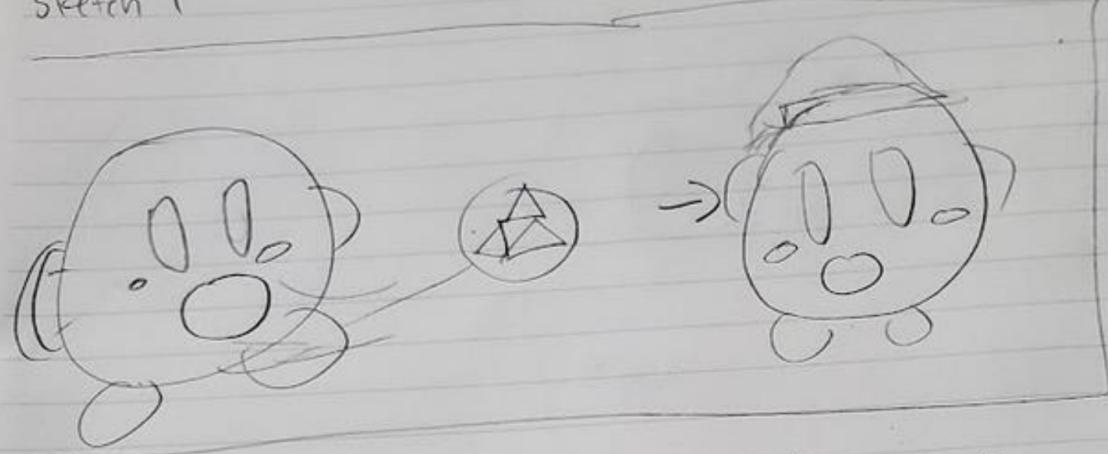

- Click Kirby and a new meme shows up on the TV.

Sketch 3 Meme roulette

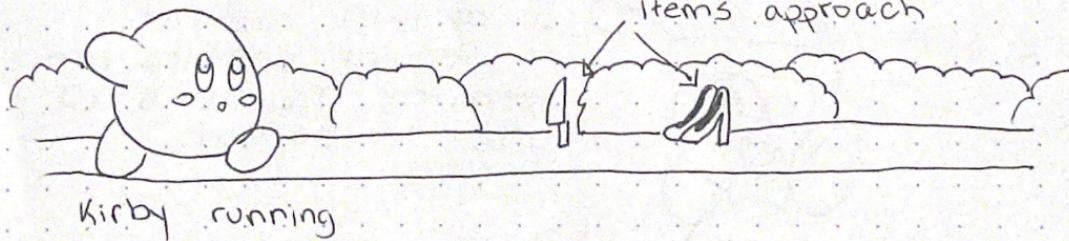

- Hold down Kirby and release for a meme Kirby

Kirby inhale
sketch

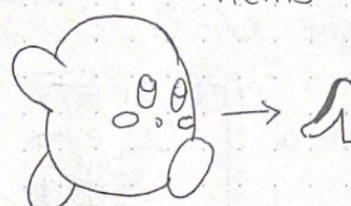

Kirby inhales other characters and transforms

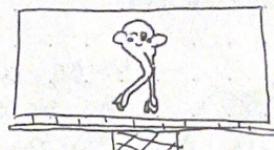

Variation 2

Variation 2 continued...

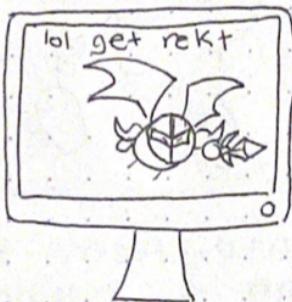

When Kirby runs into item, the associated meme is shown on a billboard in the background.

Variation 3 continued...

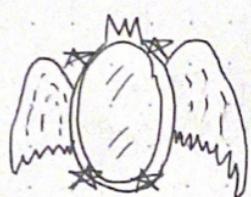

If you wait too long without pressing a button, meta knight or jester hacks the computer.

Mark and Magolor could also be hackers

or King Deedee?

Other considerations:

Using a mirror as a screen to display Kirby memes

Variation 2

Kirby will react
to the item that's
generated.

Variation 3
